LR 7-1 CERTIFICATION

Pursuant to Local Rule 7-1(a), counsel for the proposed Amici Curiae certify that they conferred in good faith with counsel for all Plaintiffs and Defendants in the consolidated cases, and no party opposes this motion.

Case 3:22-cv-01862-IM Document 69 Filed 01/11/23 Page 3 of 6

UNOPPOSED MOTION FOR LEAVE TO FILE AMICUS BRIEF

Proposed Amici Curiae, a coalition representing sportsmen's and sportsmen's

organizations including Oregon Hunters Association, Congressional Sportsmen's Foundation, the

Rocky Mountain Elk Foundation, Sportsmen's Alliance Foundation, Oregon Wild Sheep

Foundation, Safari Club International, National Deer Association, Dallas Safari Club, Delta

Waterfowl, and Ducks Unlimited (together, the "Coalition"), respectfully submit this Unopposed

Motion for Leave to File the Amicus Brief attached as Exhibit A. The Coalition's input will benefit

the Court because the Coalition will raise legal arguments not otherwise addressed by Plaintiffs,

as well as important considerations regarding the impact of Measure 114 on lawful hunting. The

Coalition's members are engaged in the longstanding tradition of hunting in Oregon, and their

members are the very individuals most impacted by an effective ban on firearm purchases, which

will diminish their ability to carry on and pass on that tradition.

MEMORANDUM IN SUPPORT OF UNOPPOSED MOTION FOR LEAVE TO FILE AMICUS BRIEF

Oregon voters narrowly passed Measure 114, titled "Changes to Firearm Ownership and

Purchase Requirements Initiative," which requires a new permit to purchase any firearm and

restricts the purchase, sale, and continued ownership of magazines with the capacity to hold more

than ten rounds. The Coalition organizations represent hundreds of thousands of hunters who use

firearms to hunt, and through this hunting, assist in conservation and management of wildlife and

habitat in Oregon. The Coalition's members are significantly injured by the implementation of

Measure 114, which is an impermissible infringement on Second Amendment rights. The Court

should exercise its discretion to grant the Unopposed Motion and allow the filing of the brief

attached as Exhibit A.

SUPPORT

ARGUMENT

I. Identity and Interest of the Proposed Amici Curiae

Proposed Amici Curiae represent hundreds of thousands of sportsmen and sportswomen,

recreational shooters, and conservationists. These organizations and their respective members

support hunting as a wildlife conservation and management tool. They fund and participate in

conservation projects including habitat protection, wildlife restoration, and similar efforts in

Oregon. Each organization has members and supporters whose interests are injured by

implementation of Measure 114. They purchase, own, and use firearms as a necessary element of

hunting and shooting. Their hunting tradition and their ability to introduce youth and new hunters

to this tradition will also suffer.

II. Amici Curiae Should Be Admitted in this Case

The Court has broad discretion to admit Amicus Curiae in a case. E.g., Greater Hells

Canyon Council v. Stein, No. 17-CV-843, 2018 WL 438924, *1 (D. Or. Jan. 16, 2018). The

"classic role" of *Amici* is "assisting in a case of general public interest, supplementing the efforts

of counsel, and drawing the court's attention to law that escaped consideration." Miller-Wohl Co.

v. Comm'r of Labor & Indus., 694 F.2d 203, 204 (9th Cir. 1982). "[T]here is no rule that Amici

must be totally disinterested." Funbus Sys., Inc. v. Cal. Pub. Utils. Comm'n., 801 F.2d 1120, 1125

(9th Cir. 1986) (citing Hoptowit v. Ray, 682 F.2d 1237, 1260 (9th Cir.1982)). Rather, the

"touchstone" is that the proposed Amicus will provide arguments and information that assist the

Court's decision-making. California v. U.S. Dep't of Labor, No.13-CV-2069, 2014 WL

12691095, *1 (E.D. Cal. Jan. 14, 2014) (citation omitted).

Page 4 - UNOPPOSED MOTION FOR LEAVE TO FILE AMICUS BRIEF AND MEMORANDUM IN SUPPORT

This Court should exercise discretion to grant the Coalition's participation in this case by allowing the filing of Exhibit A. As organizations that represent the interests of hunters and hunting, the Coalition has a strong interest in preventing implementation of a law that will make it essentially impossible to obtain firearms for hunting. The Coalition can explain how Measure 114 infringes on the historical use of firearms for hunting, and why this renders the measure unconstitutional under recent Supreme Court precedent. The Coalition can also explain practical reasons why Measure 114 infringes on hunting rights. The Coalition will fulfill the classic role of Amicus.

CONCLUSION

For these reasons, the Coalition respectfully requests that the Court grant them leave to file the *Amicus Curiae* Brief attached as Exhibit A.

Respectfully Submitted,

DATED this 11th day of January 2023.
